C_DOXvDMSO − GO:BP
RNA metabolic process
RNA biosynthetic process
nucleic acid biosynthetic process
mRNA metabolic process
nucleobase−containing compound biosynthetic process
mRNA processing
regulation of RNA metabolic process
nucleic acid metabolic process
gene expression
DNA−templated transcription
RNA processing
macromolecule biosynthetic process
regulation of DNA−templated transcription
regulation of RNA biosynthetic process
regulation of nucleobase−containing compound metabolic process
biosynthetic process
nucleobase−containing compound metabolic process
regulation of gene expression
RNA splicing
regulation of mRNA metabolic process
